Instructor Training

Valley Driving School is one of the largest and most respected driver trainers in British Columbia. Our in-depth training is a blend of practical experience and theory-based instruction. We cover a range of topics ensuring our trainees acquire skills beyond industry standards. A few of the topics taught and discussed include:

- Current laws and regulations
- Student learning curves
- Observation skills
- Effective communication techniques
- Coaching techniques
- Advanced skill development
- Troubleshooting
- Teaching basic and complex maneuvers

Effective driver trainers need to be more than just good drivers. They need to understand and master the skills they want their students to acquire and demonstrate.
